Christmas Island & Festive Fringe

Come and join us down at Christmas Island and enjoy the festivities. All events are first come first served.

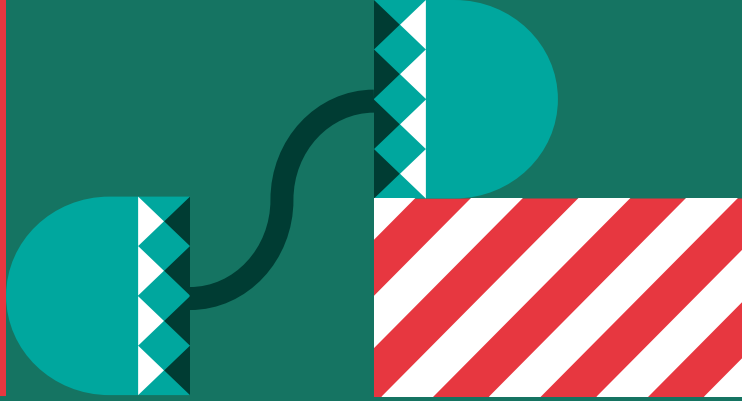

For the third year running, come and experience the banks of the The Island in Monkton Park spectacularly lit up, bringing some twinkling magic to the heart of Chippenham.

The event is produced and managed by local Creative Event Production company Melt Productions as a part of the Town Council's Christmas in Chippenham celebrations.

Alongside the lights, this years' focal point will be the beautiful wooden Roundhouse; a cosy, heated, wooden structure – the perfect spot to enjoy our jam-packed roster of entertainment as well as some well-earned 'Hygge'.

New for this year, we have carefully curated a full schedule of festive fringe entertainment, including live music, comedy, cabaret, cinema screenings, workshops, and even a festive pop bingo!

The famous Après Ski Bar will return, serving up delicious hot and cold drinks, mulled wine and wintery cocktails, alongside some of the South West's top-notch food vendors.
